Mission

We are a textile company with diversified business lines like home textile, medical and hospitality industry textiles, working to meet the quality standards of our clients by offering valuable and innovative solutions in our domestic and international market.

Vision

We want to be an agile, innovative and sustainable company to reach our goal of being one of the leading companies in our sector at national and European level and to be recognized for our high level of quality, efficiency and service.

Values

Our core values are integrity, expertise, corporate social responsibility and customer focus. This defines our way of doing business in order to comply with our customer's needs.

About us

We are experts on making quality products for professional use in Healthcare sector.

Textiles Rumbo is specialized in the sale of raw and finished fabrics, bedding sets and distribution of textiles for hotels and healthcare.

As manufacturers, we make products that meet the needs of each client, from special sizes, finishings, possibility to customize with logo prints or embroidery.

Our products for hospitals and nursing homes have the OEKO-TEX® certificate that ensures that the textiles used in the production of the product are completely free of any type of harmful substances and friendly even for the skin of a baby.

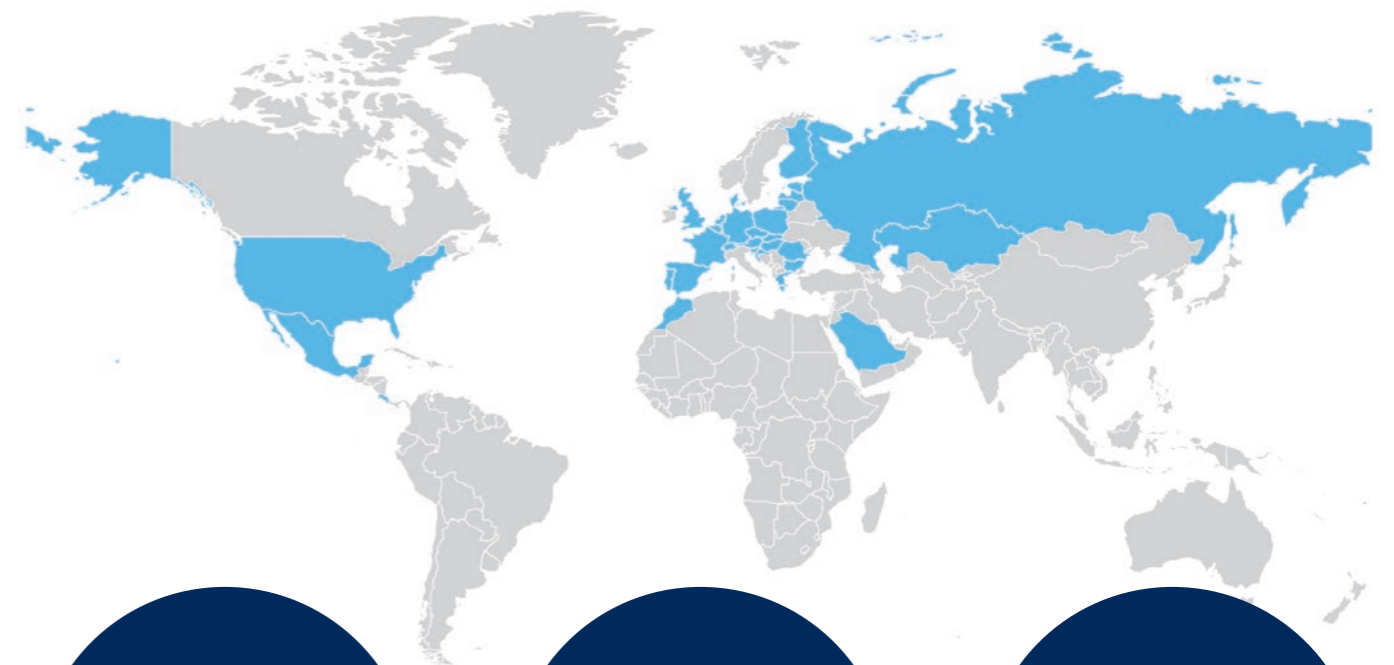

We use more than 1.200.000 sqm of raw materials, by year, to provide on time service and quality.

In our facilities we have more than 6.000 sqm, with lot of ready-made stock, in order to enhance fast customer service.

Our products comply with all European quality standards, so we have clients throughout the European Community, as well as in America and Central Asia.

**Specialists
in healthcare
textiles**

With more than 70 years of experience in healthcare textiles, we specialise in the manufacture and distribution of a wide range of products for nursing home, clinics and hospitals, such as bed, bath, table and kitchen linen, as well as patient and healthcare staff clothing.

As manufacturers, we make products to suit the needs of each customer, from special sizes and finishes, to personalisation with printing or embroidery of logos.

Sheets customization

Both flat sheet and pillowcase are customizable with screen printing or embroidery logos. They can also be made with a trim or scallop in different colours.

Customization possibilities

Logo embroidery

Screen printing of logos

Making with trims

Making with scallops

We have a wide range of fabrics available to make different kind of bedspreads, fitting each customer's needs.

Xana bedspread
